

An Introduction to the World of Hurtigruten

Please join us for an introduction and overview of our fantastic program and itineraries for 2010.

Are you an experienced traveler who's seen and done it all? Are you looking for that special once-in-a-lifetime cruise vacation?

Hurtigruten invites you to learn about our special voyages to some of the world's most untamed reaches. Hurtigruten's 116 year history has made us an authority in offering a wide range of year-round travel opportunities for those who seek the unusual and extraordinary while still enjoying the creature comforts of a fabulous cruise vacation. Join us for an educational webinar to learn all about your next dream vacation!

Highlights include:

- Spectacular Coastal Voyages through the Norwegian Fjords
- Awe-inspiring expeditions through Antarctica
- The Mysteries of the Vast Icebergs of Greenland
- Exciting Arctic expeditions through Europe's last wilderness - Spitsbergen

No fee, this educational seminar is totally free.
